The frequent and proper use of the Sigma Phi Equilon Ritual has been instrumental in the workings of the Missouri Thata chapter since its inception into years ago. Our Ritual is what distinguishes us from other fraternities and organizations, so that is the reason we feel its implementation into regular chapter operations is so Important.

is so important.

The logical time to begin gractice of the ideals of our Ritual is during pidegeahlp. Our brotherhood development program is geared not toward an attitude of coescion, ensiawement, or other things of the past, but rather attempts to create an animosphere conducive to practice of our cardinal principles. We achieve this atmosphere through.
